"Blanc is wonderful as a mother trying to protect her two boys the only way she knows how. It is refreshing to see a strong matriarchal character, despite her shortcomings as a compassionate woman." dctheatrescene.com

"The strongest of the cast is Sheila Blanc as the insufferable maid Berthe. Ms. Blanc is c'est magnifique in her portrayal and as the veteran of the cast brings a good credibility to the stage." Keith Tittermary, BroadwayWorld.com (Boeing Boeing).
